Arrowood Sonoma County Cabernet Sauvignon.....\$70.00

This wine is a mouthful of Cabernet Sauvignon—a big, bold California Cabernet—a stellar production! Cedar, cassis, cherry and cigar box with nuances of saddle leather rise out of the glass, tantalizing your senses. On the palate, concentrated flavors of ripe black fruits, cassis and cherry fill the mouth, with solid tannins giving it backbone. Cassis and cherry linger on in the long, structured finish. In using our non-interventional approach to winemaking, this wine was neither fined nor filtered in order to preserve its vibrant varietal character.
